Have you got the Smile Factor?

To help celebrate national smile month NHS Ayrshire & Arran’s Oral Health Promotion Team is holding an event for people who live in the Garnock Valley.

The drop-in event is taking place on Wednesday 18 May from 1pm to 4pm in Radio City, Kilbarnie. At the event you can speak to someone from one of the local dental practices and meet one of our community dentists.

There is something for people of all ages including the ‘Smile Factor’ talent contest from 1.30pm to 2.30pm involving local primary school pupils, advice on healthy eating, competitions and prizes.

Representatives from a number of other support services will be available for a chat, including:

- Childsmile
- Choose a smile for your child pharmacy project
- Breastfeeding
- KA Leisure

By promoting good oral healthcare in a fun and imaginative way the Oral Health Promotion Team hopes to persuade more people of the importance of taking care of their teeth.

For more information on the event or oral health promotion, contact the Oral Health Promotion Team on 01294 323 455.

Ends
