Half Marathon runner raises money for Rainbow House

The Rainbow House Amenity Fund has received a generous donation from Helen Climie from Irvine who ran this year’s Glasgow half marathon and raised the grand sum of £706.50.

Helen’s granddaughter, Ailey, has been a patient at Rainbow House for six years. Helen has always been incredibly grateful for the services provided at Rainbow House for Ailey, and for her excellent treatment there. She wanted to show her thanks by raising money for the Amenity Fund.

Elaine Murray, Administration Manager, Rainbow House commented: ‘We are very proud of Helen for completing the half marathon in Glasgow, and incredibly grateful to her and all the people who sponsored her for their donations.

“The Amenity Fund is used to purchase toys, support events and outings for young patients. This includes a Christmas party and yearly weekend trip to an outdoor activity centre in Keswick, specially designed for physically impaired children.

“These events are wonderful for the wellbeing of the children, and they wouldn’t be possible without people like Helen. On behalf of Rainbow House and all the patients who will benefit from this donation, I would like to give our heartfelt thanks.”
