How ‘green’ are you?

NHS Ayrshire & Arran is holding an event to find out about the small changes staff and members of the public can make to become ‘greener’.

Drop in on Friday 15 May 2015 between 10am and 2pm in the Common Rooms, Education Centre, University Hospital Ayr to find out more.

The Energy Agency will be on hand to offer advice on the home incentives available and the Ayrshire Roads Alliance will have their ‘smoothie bike’ for people to use their pedal power to generate a delicious smoothie!

Stalls will include:

- Cycle to work scheme;
- car sharing scheme;
- local cycle shops;
- Greening the NHS estate; and
- Home Energy Scotland – have a go on their driving simulator.

The event is also supporting Walk to Work Week. Find out how to get involved at www.walktoworkweek.org.uk.
